

NAME: Dr.J. Kumar M. Tech (Biotechnology)., PhD

Ph no: +9994343412

Email id: kumarbio@gmail.com

Skills & Expertise:

- Nano drug delivery system
- Cancer therapeutics
- Nano characterization techniques
- Development of anti-arthritis study

Total number of Publications: 9

Books/ Chapters: 1

Patents: 4

Products Developed:

- Development of Novel Nano Formulation Drug for Rheumatoid Arthritis
- Optimization for Bevacizumab Loaded Nanodispersion for Lung Cancer.
- Development of Methotrexate-Loaded Cubosomes for Rheumatoid Arthritis'
- Novel Nano Therapeutic Product for Rheumatoid Arthritis
- Synergistic Anti-Tumour Drug Of Lumefantrine on Lung Cancer
- A Dietary Supplement Product for Anemia

Technology Developed:

- Development of New Combinational Strategy of Methotrexate and Minocycline
- Progress in Stimuli-Responsive Intelligent Nano Scale Drug Delivery Systems
